

# Colleen Morita X Seminar

~ *Sponsored by Mile High Velocity Flyball* ~  
November 12 & 13, 2016

## Location:

Matrix Dog, LLC - 2780 Industrial Lane, Broomfield CO 80020  
Ph: 720-523-3647

**Read important information on how to find us here:** <http://matrixdog.com/location>

IMPORTANT: Some map programs take you to the NORTH side of the street, but we are in fact on the SOUTH side of the street. Use "2750 Industrial Lane" for the address or look for the "Nighthawk Brewery" signs.

**Drive around to the back of that building (the side where you can see Hwy 36). We are on the southwest corner of the building, there are stairs leading up to our door right under the back "Nighthawk Brewery" sign.**

**You CAN park in the parking spots that read "Hustle Paintball", however please do NOT park in front of any of the other units or block the garage bay doors or dumpsters.**

## Contact Numbers:

Jennifer Giacchi 720-523-3647 [jen@runflyball.com](mailto:jen@runflyball.com)

## Schedule:

### **Saturday November 12 & Sunday November 13:**

8:00 am: Building opens

9:00 am: Lecture followed by working dogs. Estimated finish time around 5pm.

A Lunch Break will be taken in the middle of the day. See the following page for information on food available on site.

## Important Info:

Please only bring dogs that are registered in working spots.

Email [Jen@RunFlyball.com](mailto:Jen@RunFlyball.com) with current information on the dog you are bringing, and what you want to work on. Also the level of your dog (never raced, green, experienced, etc).

**X-Pens** are NOT allowed on the matting. All **crates** must have a towel/tarp/blanket between them and the matting. (It's expensive flooring!) We do have some limited spots available for x-pens on the concrete. Please email me ASAP ([Jen@RunFlyball.com](mailto:Jen@RunFlyball.com)) if you need x-pen space. Be prepared to arrive early on Saturday to help move matting to accommodate x-pens as well as staying after the seminar finishes on Sunday to put the matting back in place and re-tape it.

**Looking for a place to stay?** Find an accommodation listing here: <http://matrixdog.com/pet-friendly-accommodations/>

## Parking:

**IMPORTANT!!!** Please do not block the other businesses and do not block any garage bay doors, especially during the work week. Big moving trucks need to be able to access to the garage door bays. There will be cones set out in the parking lot to mark where our area ends, please do not park past those cones.

## Camping:

Dry camping available in the parking lot. If you are staying overnight OR just camping during the day, an RV Permit is required. There is NO FEE for this permit, but it will let the landlord and other tenants know that you are with us and not squatting on the property. :) Email [Jen@RunFlyball.com](mailto:Jen@RunFlyball.com) and we will get you a permit and instructions on where to park.

## Miscellaneous Notes:

The building has a swamp cooler, but please feel free to bring **fans** and **extension cords**.

**Water** is only available up front in the bathrooms in the brewery - please bring water jugs for dog water.

There is **crating space** inside the building for everyone but please pack light. MHV reserves the right to limit individual crating space.

**X-Pens** are NOT allowed on the matting. All **crates** must have a towel/tarp/blanket between them and the matting. (It's expensive flooring!) We do have some limited spots available for x-pens on the concrete. Please email me ASAP ([Jen@RunFlyball.com](mailto:Jen@RunFlyball.com)) if you need x-pen space.

You are welcome to bring **chairs** but please remember to protect the matting!

We do have access to some tables, and should be able to give out one per team if needed.

Please remember that this is a shared warehouse and to respect other people's property!

**Pottying:** There are some grass/mulch areas/fields outside the building. Please be sure to pick up after your dog. Please keep your dog from peeing on the side of the building, or on any items that people have to pick up! Please clean up any accidents in the building immediately. There is a dumpster for poop on the side of the building.

**Food/Drinks:** Nighthawk Brewery now has a salad & pizza kitchen! Menu here: <http://www.nighthawkbrewery.com/kitchen-menu/>. Since Nighthawk Brewery now serves food, health code regulations state that **DOGS ARE NO LONGER ALLOWED** in the taproom or game room. Dogs are now limited to the back warehouse area.

You are welcome to bring your own food into the facility but you **MUST** keep crumbs/spills off the mats or we will not be able to allow this in the future. We are attached to a brewery and you can bring drinks from the brewery back into our space, however it is recommended you bring a non-spill cup. Please remember to bring any glasses back up to the brewery when you are finished with them. The brewery also has a game room and you are welcome to eat/drink there if you make a purchase at the bar.

**Bathrooms:** There are bathrooms on site, there are two in the brewery game room (middle room) and two at the front of the bar.
