## Exhibitor Information:

**The following dogs are *eligible* to compete in USCSS™ events:**

- Dogs 6-months of age or older
- Dogs of any breed, purebred or mixed breed
- Blind, deaf or dogs with amputations or who use ambulatory carts
- Bitches in season but they must wear panties
- Reactive dogs, and USCSS™ suggests they wear red bandannas

All dogs must be on a short leash and under control while on trial grounds except while showing. **Flexi/retractable leads are *not* permitted on USCSS™ sanctioned trial grounds.** No choke chains, prong collars or halti/head collars are permitted during searches.

Leashes of any length may be used while the dog is participating in a run during a Class, but they must be switched over to a 6' length leash when outside of the search area.

There is **NO SMOKING** in this facility or on the grounds. Please pick up after your dog and dispose of waste in appropriate containers outside the building. Do NOT let your dog pee on items we have to touch!

**The trial will be held indoors, on matted concrete with tarps as well as outside in the parking lot and grounds.** There is heating and cooling in the building but please dress appropriately for the outside weather.

There will be crating space available inside the building but please make sure your crate is secure. Disruptive dogs will have to be crated outside of the covered trial area. If your dog cannot handle other dogs or people walking past their crate, plan to crate outside the trial area.

Please bring adequate shade.

**Bitches in season are eligible to compete but will be required to be kept separate from all other dogs and will be run at the end of their class/trial and must wear panties.** If bringing a bitch in season, please inform the trial secretary prior to the trial and inform all exhibitors at the judge's briefing.

No refunds allowed after the pre-entry closing, except in the case of injured dogs which can request a refund minus a \$5 administrative fee. A veterinary note may be required. **Requests for refunds must be made before 8:30am on the day of the trial.** Entry fees will not be refunded in the event that a dog is absent, disqualified, excused or barred from competition by action of the Event Committee.

Every attempt will be made to hold this event as scheduled. In the event of an "act of God" such as flood or fire, or civil disturbances or any other causes beyond the control of the organizing committee, the event may be canceled. We will make every attempt to contact entrants and inform them of the cancellation. Any refund of entry fees due to this will be made at our discretion.

Please bring adequate water for you and your dogs. There are indoor restrooms at the site.

**IMPORTANT: Only soft or metal crates are allowed - no x-pens. If the weather is nice, you can crate out of your car or outside. All crates MUST have a tarp/blanket/towel/mat underneath them, between the crate and the matted flooring. Please be careful about water spillage on the mats.**
