Water is available in the bathrooms but if you can please bring water jugs for dog water.

X-Pens are NOT allowed due to the matting. All **crates** must have a towel/tarp/blanket between them and the matting. (It's expensive flooring!)

Crating space will be tight. Please pack light. RMR reserves the right to limit individual crating space. You are welcome to bring **chairs** but please remember to protect the matting!

Dogs must be kept on lead in keeping with the leash laws. Please also remember that this is a shared warehouse and to respect other people's property!

Per Barn Hunt Association rules: Dogs that are loud and disruptive may be asked to be located away from the rings/crating area.

Potting: There are some grass/mulch areas/fields outside the building. Please be sure to pick up after your dog. Please keep your dog from peeing on the side of the building, or on any items that people have to pick up! Please clean up any accidents in the building immediately.
