EXHIBITOR INFORMATION:

All dogs must be at least 6 months of age to compete in a Barn Hunt event.

All dogs must be on a short leash and under control while on trial grounds except while showing. **FLEXI LEASHES ARE NOT PERMITTED INSIDE ANY BUILDINGS.** Electronic collars, bark collars, and head halters are not allowed to be used on the trial grounds. **Dogs are required to run "naked" and should be brought into the ring with collars/harnesses/slip leads which can be easily and quickly removed and replaced.** Prong collars are not allowed in the ring.

There is **NO SMOKING** in this facility or on the grounds. Please pick up after your dog and dispose of waste in appropriate containers outside the building.

The trial will be held indoors, on matted concrete. There is heating and cooling in the building but please dress appropriately for the outside weather. Please feel free to bring fans, power strips, extension cords, etc.

There are indoor restrooms at the site.

FOOD:

John will be cooking! We ask for a donation to help cover expenses.

There are also numerous fast food restaurants in our complex and within 10 minutes of the trial.

CRATING:

There will be crating space available inside the building but please make sure your crate is secure as the dogs may be highly excited. Disruptive dogs will have to be crated outside of the covered trial area. If your dog cannot handle other dogs or people walking past their crate, plan to crate outside the trial area. Please bring adequate shade.

IMPORTANT: Only soft or metal crates are allowed - no x-pens. If the weather is nice, you can crate out of your car. All crates **MUST** have a tarp/blanket/towel/mat underneath them, between the crate and the matted flooring. Please be careful about water/food/etc spillage on the mats.

BITCHES IN SEASON:

Bitches in season are eligible to compete but will be required to be kept separate from all other dogs and will be run at the end of their class/trial and must wear pants. If bringing a bitch in season, you must inform the trial secretary prior to the trial and inform all exhibitors at the judge's briefing.

REFUNDS:

Any entries pulled prior to pre-entry closing will be refunded minus any PayPal/Transaction fees. Any entries pulled after pre-entry closing will only be given a refund (minus a \$5 administrative fee) provided a) there are entries on the waitlist that can take your spot or b) in the case of injured dogs, in which case a veterinary note may be required, **and they must be made before 7am on the day of the trial.** Entry fees will not be refunded in the event that a dog is absent, disqualified, excused or barred from competition by action of the Trial Committee or BHA. Entry fees will not be refunded in the event that a handler is ill or injured.

Every attempt will be made to hold this event as scheduled. In the event of an "act of God" such as flood or fire, or civil disturbances or any other causes beyond the control of the organizing committee, the event may be canceled. We will make every attempt to contact entrants and inform them of the cancellation. Any refund of entry fees due to this will be made at our discretion.

RV CAMPING:

Dry camping for RVs is available on site. There are no hook-ups (unfortunately, yes, this also means no electric). It's just a huge parking lot. :)

Permits will be issued – please email Jen@MatrixDog.com to reserve your space.

Barn Hunt® Guide to A and B Classes

Beginning in the summer and fall of 2018, the Barn Hunt Association will start implementing B classes and a new titling track. These changes affect only the Regular classes of Novice, Open, Senior, and Master. The changes were made to give teams an opportunity to stay at a single level or move down to a previous level while also giving them an opportunity to achieve new titles at that level. Here is what you need to know about the new B classes.

- All dogs, regardless of handler experience, start in A class at each level and stay in A class until the dog attains the title at that level.
- Once a dog finishes a title from A class, that dog may either move UP to the A class at the next level, LATERALLY into the B class at the same level, or DOWN to any previous level they are eligible to enter.
- In B classes, X titles are awarded after 10 qualifying scores. 10 qualifying scores in Novice B will be RATNX, 20 scores will be RATNX2, etc.
- There will be one set of placements for all competitors in each B class level, regardless of height.
- A dog may show in any class that dog is eligible for. So a dog with a Master title may move DOWN and show in Novice B, Open B, or Senior B.
- Dogs are not required to finish a particular B class title to move on from that class. A dog may have multiple qualifying scores from different levels and may choose to enter different B class levels at different events.
- Dogs are never required to enter any lower level B classes, but must enter Master B to attain the titles of RATCH, RATCHX, and above.
- **For each Event:**
 - All dogs must be entered in only one class level and type. (i.e., a dog cannot be entered in Novice B on one day and Open A on the next.)
 - Dogs entered in B class must stay in that class for the entire event (may not move up or down during an Event.)
- Dogs may be entered in one B class level one weekend and a different one the next. As an example, a dog with a RATM title could enter Master B on one weekend, then Open B the next, up to Senior B, then back to Master, etc.
- All existing Master scores and titles are grandfathered in to the B classes.

TITLE PROGRESSION CHART

In the chart above, the A classes are listed on the far left. Next are the Qs needed to get the title at that level. Once you have the title the solid arrows show you where you can go next. For example, once you have your RATS title (gold box), you can follow the solid gold arrows to see that you can next enter either Master A, Senior B, Open B, or Novice B. Each X title takes 10 qualifying scores.
