There is **NO SMOKING** on the grounds. Please pick up after your dog and dispose of waste in appropriate containers outside the building.

Disruptive dogs will have to be crated outside of the trial area. If your dog cannot handle other dogs or people walking past their crate, plan to crate outside the trial area. Please bring adequate shade if you crate outside.

IMPORTANT: Only soft or metal crates are allowed – no x-pens. If the weather is nice, you can crate out of your car. All crates **MUST** have a tarp/blanket/towel/mat underneath them, between the crate and the matted flooring. Please be careful about water/food/etc spillage on the mats.

BITCHES IN SEASON:

Bitches in season are eligible to compete but will be required to be kept separate from all other dogs and will be run at the end of their class/trial and must wear pants. If bringing a bitch in season, please inform the trial secretary prior to the trial and inform all exhibitors at the judge's briefing.

In the event of an "act of God" such as flood or fire, or civil disturbances or any other causes beyond the control of the organizing committee, the event may be canceled. Barn Hunt® Guide to A and B Classes

Beginning in the summer and fall of 2018, the Barn Hunt Association will start implementing B classes and a new titling track. These changes affect only the Regular classes of Novice, Open, Senior, and Master. The changes were made to give teams an opportunity to stay at a single level or move down to a previous level while also giving them an opportunity to achieve new titles at that level. Here is what you need to know about the new B classes.

- All dogs, regardless of handler experience, start in A class at each level and stay in A class until the dog attains the title at that level.
- Once a dog finishes a title from A class, that dog may either move UP to the A class at the next level, LATERALLY into the B class at the same level, or DOWN to any previous level they are eligible to enter.
- In B classes, X titles are awarded after 10 qualifying scores. 10 qualifying scores in Novice B will be RATNX, 20 scores will be RATNX2, etc.
- There will be one set of placements for all competitors in each B class level, regardless of height.
- A dog may show in any class that dog is eligible for. So a dog with a Master title may move DOWN and show in Novice B, Open B, or Senior B.
- Dogs are not required to finish a particular B class title to move on from that class. A dog may have multiple qualifying scores from different levels and may choose to enter different B class levels at different events.
- Dogs are never required to enter any lower level B classes, but must enter Master B to attain the titles of RATCH, RATCHX, and above.
- **For each Event:**
 - All dogs must be entered in only one class level and type. (i.e., a dog cannot be entered in Novice B on one day and Open A on the next.)
 - Dogs entered in B class must stay in that class for the entire event (may not move up or down during an Event.)
- Dogs may be entered in one B class level one weekend and a different one the next. As an example, a dog with a RATM title could enter Master B on one weekend, then Open B the next, up to Senior B, then back to Master, etc.
- All existing Master scores and titles are grandfathered in to the B classes.

TITLE PROGRESSION CHART

In the chart above, the A classes are listed on the far left. Next are the Qs needed to get the title at that level. Once you have the title the solid arrows show you where you can go next. For example, once you have your RATS title (gold box), you can follow the solid gold arrows to see that you can next enter either Master A, Senior B, Open B, or Novice B. Each X title takes 10 qualifying scores.
