But What Time Will My Class Start?

We get a lot of questions on "when will my class start" for trials. We cannot give out times other than the start of the first class of the day. However, here is a way for you to estimate when your class MAY start running:

Page 9 of the BHA rulebook gives an estimate for judging time per run, per class (www.BarnHunt.com under "Rules & Resources")

Above, we give entry counts as of the pre-entry closing along with the order the classes will run.

You can multiply out the estimated judging time per run x the entries in each class to get a rough estimate. However, please note that this doesn't include absent dogs, move-ups, day-of-show/late entries, etc. And runs don't always last the "estimated" judging time per run. There are no refunds/credits/moves for missed runs. Calculate at your own risk!

Miscellaneous Notes:

X-Pens are NOT allowed due to the matting. All **crates** must have a towel/tarp/blanket between them and the matting. (It's expensive flooring!)

Crating space may be tight. Please pack light. RMR reserves the right to limit individual crating space.

You are welcome to bring **chairs** but please remember to protect the matting!

Dogs must be kept on lead in keeping with the leash laws.

Per Barn Hunt Association rules: Dogs that are loud and disruptive may be asked to be located away from the rings/crating area.

Potting: Please be sure to pick up after your dog. Please keep your dog from peeing on the side of the building, or on any items that people have to pick up! Please clean up any accidents in the building immediately.
